

Green Line

Move & Go

Linea di carrelli multiuso modulari e inossidabili, ideali per la pulizia degli ambienti medio-grandi. La particolare struttura in plastica e acciaio li rende indistruttibili. Con pochi componenti si possono assemblare un'infinità di modelli, con tempi di montaggio ristretti. I carrelli Green Line sono stati progettati per occupare il minor spazio possibile.

Ingombro minimo

Robusti

Modular, rustproof, multi-purpose trolley recommended for removing rubbish and cleaning medium-large environments. They are indestructible thanks to its plastic and steel structure. With just a few components you can assemble a wide range of models, in a short time. Green Line trolleys are designed to take up as little room as possible.
