Sistema mop - Mop system

MADE IN ITALY

- Composti da filato ritorto in cotone cucito su nastro centrale in cotone
- Disponibili con filo tagliato o continuo, con diverse grammature
- Impiegati per il lavaggio dei pavimenti al posto dello straccio tradizionale
- Made of twisted cotton yarn sewn onto a central cotton ribbon
- Available with both cut and looped end, in different weights
- Used instead of traditional rags to wash floors

Poliestere
Polyester

- Ideali per il contenimento dei mop e delle frange durante il lavaggio nelle lavatrici
- Temperature elevate possono causare un restringimento del tessuto ma non causano perdite di resistenza del sacco.
- *Ideal to hold mops and spare mops during machine washing*
- *High temperatures can shrink the cloth but do not affect bag resistance*
